

E25 - Wireless ANC Headphones

Bluetooth 5.0 audio headset with rubber and customizable lighting logo.

The ANC function enables active noise reduction to 28 db and the microphone enables superior call quality.

One jack cable provided for listening on non-Bluetooth devices or to use the headset when it has run out of battery. A polyester pouch is also provided to protect the headphones when transporting it.

Customization of the lighting logo is included on 1 earpiece (optional on the 2nd earpieces).

Everything is included:

personalization of the lighting logo, rubber finish, charging cable, jack cable, polyester case and recycled paper gift box.
