

F20 - Levitation Lamp

Levitation lamp in soft-touch rubber with a maximum power of 20 Lumens.

The lamp is composed of a soft-touch rubber base with a customizable lighting logo and a bulb with four luminous filaments.

The powerful magnet technology raises and keeps the bulb levitating on the base. The bulb is controlled by a touch button on the base of the lamp to turn it on and off.

The filaments are also customizable to the form as an option starting from 500 pcs (import only)

Everything is included: personalization, charging cable and recyclable gift box with magnetic closure.
