

R01 - RPET Auto Foldable Umbrella

Foldable auto open/close umbrella made with rPET 210T pongee water repellent, very resistant thanks to its hexagonal metal mast and its fiberglass ribs.

Soft-touch handle with integrated push-button for quick and easy opening and closing. Windproof features for a better wind resistance thanks to its flexible frame.

This product is customizable on the closing button metal plate.

Provided with an umbrella pouch and delivered in a cylindrical recycled paper gift box.
