

V40 - Wireless Car Charger 15W

The car charger opens and closes thanks to an infrared sensor that automatically detects the cell phone when the charger is plugged.

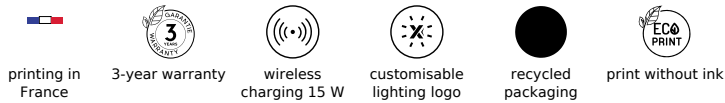

Fast charging up to 15W. Supplied with a 1m cable for USB and Type-C.

Transparent casing revealing the printed circuit board.

New anti-drop fastening system on the ventilation grille.

Autonomous motor to release the phone even when the car is switched off.

Everything included: customization with luminous logo, Type-C/USB charging cable and recycled cardboard gift box.
