

W36 - 15W Bi-material Lighting Base

Transparent 15W induction base in acrylic, customisable with an LED logo.

The base features a backlit LED that glows for 30/40 seconds when the base is plugged in or the phone is charging.

Thanks to its latest technology, the base can provide up to 15W of wireless charging power (wall charger not included).

Everything is included: rTPE charging cable and recycled cardboard gift box.
