

C56 - Pro Travel Kit 65W

Charging set comprising a 65 W fast-charging adapter and a 60 W fast-charging 5-in-1 charging cable with digital speed display.

The set can be used to charge laptops, tablets and smartphones. It features PD and GaN technology and a dual Type-C and USB-A output for fast, convenient charging.

The 65W adapter comes with 2 removable plugs, making the set easy to carry and ideal for travel (US/EU/UK).

The cable features rPET cords (plastic made from recycled bottles) and is customizable with a luminous logo on two sides. Its dual USB-A + USB-C input makes it 100% compatible with the latest computer models.

Everything is included: recycled material pouch and personalization on the cable.

To find out more about how this cable works, take a look at our Cable Guide.
