

W37 - MagSafe Mirror Ultra Slim Base

Extra thin 15W charging base, in recycled aluminum, customizable with mirror logo.

The base can provide up to 15W of wireless charging power.

If your phone does not have MagSafe technology (from iPhone 12), you can attach the sticker to the back of the phone to make it compatible with the included magnetic holder.

Everything is included: 2-in-1 charging cable in rPET from recycled bottles and exclusive “drawer” gift box in recycled cardboard with mirror marking.
