

P28 - Powerbank Mirror Ring 5000

Ultra-thin MagSafe power bank made with a 5,000 mAh capacity.

The digital front display shows the battery level in real time (percentage). Its foldable ring stand allows the power bank to hold your phone in vertical or horizontal position, making it easy to use while charging.

For phones without MagSafe technology (prior to iPhone 12), a magnetic ring is included.

Includes mirror-effect laser engraving customization and a sliding gift box made of recycled cardboard.

⚠ Cable not included.
