

C42 - Retractable 65W

65W 4-in-1 retractable cable, designed to combine performance, convenience, and design.

Featuring dual USB-A and USB-C inputs as well as USB-C, Lightning, and Micro-USB output connectors, it allows you to easily charge all your devices.

Its retractable mechanism ensures smooth everyday use and tangle-free storage, making it ideal for mobile lifestyles.

Single-side customization is available, with the option of a luminous LED logo or an offset-printed logo, for a modern and high-impact brand presence.

All-in-one premium solution:
front-side customization and a recyclable TPU pouch with recycled paper card, delivering a refined and responsible presentation.
