

O21 - Wireless Charging Mouse And Wireless Base

Gift set of wireless charging mouse with lighting logo and its 10W wireless charging base.

The mouse can be recharged through induction technology when resting on its 10W wireless base. It can also be recharged with the included charging cable.

The wireless base can also be used to recharge Qi-compatible smartphones or earbuds.

Both items are delivered together in a black gift box with magnetic closing mechanism.

Everything is included : customisation, antibacterial treatment on rubber, 1-m charging cable and recycled cardboard gift box.
